G. Grant Dixon III has been selected by his peers as a Leading Lawyer.

G. Grant Dixon III

The Leading Lawyers Network, a division of the Law Bulletin Publishing Company, asks lawyers which of their peers they would recommend to a family member or friend if they could not take a case within their

Dixon is founder of the Dixon Law Office, which represents people injured or killed in accidents through the negligence of others. He has represented victims in such high-profile matters as the crash of United Airlines Flight 232 and the 40-car Kennedy Expressway crash. He also represented more than a dozen former Amoco Oil Company employees in a case in which workers alleged that exposure to toxins at the company's Naperville facility caused employees to develop rare cancers.

## Village of Western Springs SALES TAX REPORT

For the period October-December 2008, sales tax collections in Western Springs were \$218,415, up from \$191,262 during the same period one year ago.

*(It is important to note that the State of Illinois delayed some payments to the Village. Thus, the collection for the last three months of 2008 appears larger).*
