SHOW: Morning Line

August 09, 1999, Monday AM ET

NETWORK: MSNBC Cable Programming

MEDIUM: Cable

LENGTH: 99 words

BODY:

START: 07.17

Teased Segment - Brain Cancer. After a three year investigation, medical experts working for the Amoco Corporation say that six cases of deadly brain cancer contracted by employees are probably work related.

Studio Interview - Grant Dixon, attorney for employees, gives his analysis of this report. Health researchers from the Johns Hopkins University and the University of Alabama did this work for Amoco, which Dixon says is biased because the research was funded by Amoco:

Graphic - Statement made on this issue by Jim Lowry, chairperson of Amoco. END: 11.25
